

## TPO Society Auction Spring 2021

**Auction opens on 15<sup>th</sup> March 2021 and closes on the 15<sup>th</sup> April 2021**

Another selection of nice TPO marks from a greater variety of geographical sources including Japan, Burma, Ceylon, Sierra Leone etc. as well as the usual GB. The Seapost section is tiny due to the simple fact that I have not been offered any such items to auction so please, see what you can find that others might be interested in – the auction is yours after all and Seapost material does attract bidders. Good luck with your bidding!
