

TPO Society Auction Spring 2025

Auction closes on the 15th April, 2025

The Society hopes you had an enjoyable Christmas and wish you all Good Health and a Happy New Year. Another auction for your perusal and, hopefully, interest with a good variety of both rail and seapost material. A couple of new vendors have also extended the range of offerings on show and I hope they attract good bids to reward their involvement. Good luck to all and a reminder that there was a list of all abbreviations used in this listing in the last journal. Also, a further reminder to add your address to all communications by email.
