

TPO Society Auction Autumn 2026

Auction closes on the 15th October 2026

And now for something a little less stressful after the eventful summer sunshine – yet another batch of interesting and affordable items for your perusal. I hope you find something of interest in the offering. A reminder that due to the late delivery of letters from Royal Mail (despite the fact that they choose to differ) it is in your interest (and mine) that posted mail is sent early to avoid any potential concerns. If you decide to email your bids, you can avoid such concerns. I always attempt to acknowledge any bids sent by this method.
