|-----------------|---|---|-------------------------------------|
| <b>1</b>        | Books will be loaned for one calendar month, but extensions on written request for a further two months will normally be granted if no other member has requested the book.   |   |                                     |
| <b>2</b>        | When requesting books please quote both title and reference number. The latter is shown in each entry   |   |                                     |
| <b>3</b>        | Borrowers will pay postage both ways. The Librarian will cover the outgoing postage and packing charges, but the borrowers must repay this cost when returning the book.  |   |                                     |
| <b>4</b>        | Borrowers must return books by the same class of postage as that used by the Librarian in sending the books. | <b>6</b>        | Remittances to the Librarian over £5:00 should be made payable to "R Martin". Under £5:00, payment can be in current MINT GB postage stamps. Overseas members may pay by International Money Order, US dollar or Euro notes at the current exchange rate. Overpayments will be credited to the borrower's account.  |   |                                     |
| <b>7</b>        | Titles in <b>BOLD</b> weigh more than 450 grammes. The postage both ways, should be taken into consideration when borrowing from the Library. To save on postage, the Librarian can supply the weigh of an item or provide photocopies or scans of a area of interest. Photo copies will be 10p per page + postage.
